Questions? See Lou Bergen, Aquatics Director

### Are you age 70½ or better, and have an individual retirement account (IRA)?

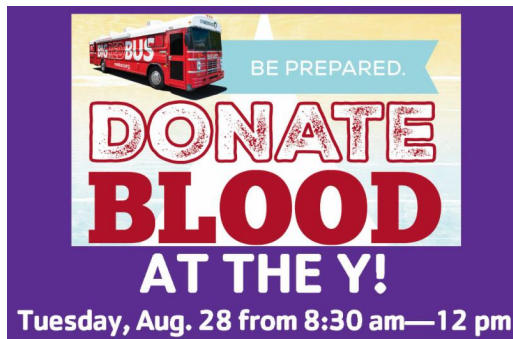

In December 2015, legislation was passed for those over age 70½ who are required to take a Required Minimum Distribution (RMD) from your IRA, that this RMD may be transferred directly to a "qualified" charity (such as the YMCA) and excluded from income.

For some of our members of the YMCA this could be a huge benefit to avoid the additional income of an RMD, as well as a way to provide the YMCA with a donation. Although you cannot claim the deduction, you will be reducing your taxable income.

If you have any questions please contact Michael Bostwick at the Y: 843-522-9622 or [m.bostwick@beaufort-jaspersymca.org](mailto:m.bostwick@beaufort-jaspersymca.org). YMCA disclaimer: We do not hold ourselves out to be tax professionals and suggest you consult your tax advisor!
