YMCA COMMUNITY BUILDERS

Your participation as a Community Builder will bring you into association with a beloved institution that stands for family fun as well as education and the development of core values i.e. caring, honesty, respect, responsibility and faith.

Our program has a significant marketing value and exposure of your company's/organization's image in the local community. Your contribution in the Y Community Builders can fund a program activity or provide a scholarship for a child or a family to participate where they might not otherwise have the ability.

The Wardle Family YMCA provides an ideal opportunity for maximizing your contribution to the community. The YMCA's excellent programs and multi-faceted audience appeal offer a unique way to achieve multiple objectives.

With your contribution to the Wardle Family YMCA you support:

A highly visible organization in our community

- *Our Y has approximately 10,000 member visits per month!*

An unparalleled, family-oriented, community resource

- *'Family' is the essence of the Y – this includes our members, our community builder program sponsors and our civic partners*

Education, both formal and informal, in a dynamic and interactive setting

- *We offer a licensed preschool, afterschool program at 4 sites and our popular, multi-faceted summer camp*

A not for profit recreational opportunity with universal audience appeal

- *Our diverse membership includes those age 1 to 91, offering programs and activities to fit many fitness levels and interests*

Your support of the Wardle Family YMCA demonstrates your strong commitment to our community, as well as family fun, education and the development of core values, sending a positive message.

At the same time, your gift promotes an important YMCA belief: No one will be turned away due to an inability to pay.
