YMCA Afterschool Philosophy:

Y Afterschool programs foster the cognitive, social-emotional, and physical development through opportunities and experiences focus on developing achievement, relationships, and belonging:

- We deliver activities in a physically and emotionally safe space
- We encourage children to develop at their own unique rate.
 - We encourage skill development.
 - We offer youth leadership opportunities.

At the Y, we consider ourselves allies of families in the development of youth, committed to providing opportunities to strengthen the family unit and learn, grow, and thrive together.

Afterschool Activities:

Homework Help · Physical Fitness · Nutrition Education · Math and Literacy Activities · Arts
STEM Activities · Service Learning · Healthy Snacks / Dinner · Y Clubs
