### **Class Descriptions**

There is a reason the Y is referred to as *America's Favorite Swim Instructor*. In Y Swim Lessons, not only are you taught how to swim, but you also learn about yourself, about safety and rescue skills, and about water activities you can enjoy for a lifetime. Instruction is caring and personalized. A variety of classes are available to meet your family's needs.

**Swim Starters:** Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision. Children must wear swim diapers - No regular diapers, please.

**Swim Basic Water Acclimation:** This is a child's first experience in the pool without parental assistance! Intro skills and safety, the building blocks of swimming, are taught. Games that use basic movements such as kicking, arm strokes, and breath control are implemented.

**Swim Basics:** Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills: - Swim, float, swim—sequencing front glide, roll, back float, roll, front glide, and exit - Jump, push, turn, grab

**Swim Strokes (Stroke Development):** Next level of YMCA swim lessons. Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being, and foster a lifetime of physical activity.

**\*NEW-Family Swim Lessons-** allow both adults and children to take swim lessons together. 8 sessions.

The price is \$60 per person Y member and \$80 per person Non-member. Family Swim Lessons are designed for a minimum of 1 Adult and 2 children. Please contact Aquatics Director to schedule your Family swim lessons.
